**READING GUIDE: CHAPTER 4**

*Enrique's Journey*

Directions: Complete the questions below by answering with complete and thorough eighth-grade responses! Use evidence from the text when appropriate.

1. Fewer young women are able to immigrate due to the high occurrence of rape. According to this chapter, why is rape so common, and what are some effects of rape?

---

---

---

---

2. In this chapter, the presence of bandits is discussed. What types of crimes do bandits commit? Why are bandits not punished or stopped by authorities?

---

---

---
