3. Enrique battles with hunger in this chapter. Why is Enrique constantly suffering from hunger? What are some methods he uses to alleviate his hunger?

4. El Tirndaro is the smuggler Enrique wants to hire. What are common issues with other smugglers? What makes El Tirindaro a successful smuggler?

Discussion Question: At the end of the chapter, Enrique finally speaks to his mother; however, the conversation is slightly "awkward." How is Enrique's and Lourdes's relationship described at this point? Looking forward, do you think they will have a normal relationship once reunited? What do you think will influence their future relationship?
