### LESSON #13: MORPHEME WORD CREATION

#### *Morphemes Vocabulary*

Part I: Using the morphemes from this week and our previous lessons, you will need to [1] create three new words using a minimum of 3 different morphemes, and [2] provide a definition for that word.

### LESSON #13: MORPHEME WORD CREATION

#### *Morphemes Vocabulary*

Part I: Using the morphemes from this week and our previous lessons, you will need to [1] create three new words using a minimum of 3 different morphemes, and [2] provide a definition for that word.

|   |   |   |
|---|---|---|
| <i>Word:</i><br>-----<br><i>Your Definition:</i><br>-----<br>-----<br>----- | <i>Word:</i><br>-----<br><i>Your Definition:</i><br>-----<br>-----<br>----- | <i>Word:</i><br>-----<br><i>Your Definition:</i><br>-----<br>-----<br>----- |
|---|---|---|

Part II: Using the words that your partner created on the front of this page, you will need to [1] break down the word, giving the definitions of the morphemes that you know, and [2] create a definition on your own of your partner's word.

|                            |                            |                            |
|----------------------------|----------------------------|----------------------------|
| <i>Word:</i>               | <i>Word:</i>               | <i>Word:</i>               |
| <i>Break down:</i>         | <i>Break down:</i>         | <i>Break down:</i>         |
| -----                      | -----                      | -----                      |
| -----                      | -----                      | -----                      |
| -----                      | -----                      | -----                      |
| <i>Partner Definition:</i> | <i>Partner Definition:</i> | <i>Partner Definition:</i> |
| -----                      | -----                      | -----                      |
| -----                      | -----                      | -----                      |
| -----                      | -----                      | -----                      |

Part II: Using the words that your partner created on the front of this page, you will need to [1] break down the word, giving the definitions of the morphemes that you know, and [2] create a definition on your own of your partner's word.

|                            |                            |                            |
|----------------------------|----------------------------|----------------------------|
| <i>Word:</i>               | <i>Word:</i>               | <i>Word:</i>               |
| <i>Break down:</i>         | <i>Break down:</i>         | <i>Break down:</i>         |
| -----                      | -----                      | -----                      |
| -----                      | -----                      | -----                      |
| -----                      | -----                      | -----                      |
| <i>Partner Definition:</i> | <i>Partner Definition:</i> | <i>Partner Definition:</i> |
| -----                      | -----                      | -----                      |
| -----                      | -----                      | -----                      |
| -----                      | -----                      | -----                      |
